The Golden Goose Book - L. Leslie Brooke

Here are four delightful fairy tales that have fascinated children and adults for centuries. Several, such as *The Three Bears* and *The Three Little Pigs* are well known and can be listened to with delight as each remembered and beloved part is come to. Others, such as *The Golden Goose* and *Tom Thumb* are not so well known and listening to them can be exciting because we do not know exactly what is to come as the story unfolds.
